Example Biography

“Dr. Jonas Frederikson is an orthopedic surgeon who believes that patient care should be a physician's first priority. He specializes in laparoscopic procedures that minimize pain and recovery time, and has expertise in minimally invasive total knee replacement surgeries. Awarded the Distinguished Service Award from the American Medical Association in 2017, Dr. Frederikson has been published in both the Journal of the American Podiatric Medical Association and the New England Journal of Medicine. He holds a medical degree from the Medical University of South Carolina, where he completed a postdoctoral fellowship in the field of orthopedic medicine.”
